Brian, I have had another visit to HRO and have, also, been cogitating about the provenance of the two Thomas Goddard's who married Sarah Reynolds and Mary Prizeman respectively. Anyway some thoughts:

- We know from the Yateley records (assuming that they are accurate) that only Thomas, son of John & Ann (Smithers), was baptised there in 1741. The previous Thomas baptism was in 1664, and the next in 1767. So one of the Thomas Goddard's must have baptised outside of Yateley although resident there when both marriages took place.
- We know that the Thomas who married Mary Prizeman was a farmer as were John and Ann Goddard(nee Smithers). Also that the witnesses of Thomas & Mary's wedding including an Ann Goddard and that Thomas had both a sister and a mother called Ann.
- Four of the children of Thomas and Sarah, John 16.10.1769, Jeremiah, 25.07.1779, Benjamin, 04.08. 1783, and Ann 02.12.1784 were all baptised at Farnborough and came from Cove. Benjamin was also buried there 9.09.1783. The other three children, James 08.06.1772, Arthur, 07.11,1774 and George, 08.09.1777 were all baptised at Yateley.
- It seems to me a reasonable supposition therefore that Thomas might therefore have come from Cove and may well have been the one of the issue of John & Sarah Goddard:- William 09.03.1727, Arthur, 06.09.1732, Thomas 23.02.1734, Thomas 25.02.1737 and Sarah 13.01.1741. Alas I haven't been able to find a wedding for John and Sarah.
- John Goddard was, I think, was baptised at Farnborough 05.10.1693 and his brother Arthur 21.05.1699 and were the sons of John of Cove, baptised 24.10.1658, who in turn was one of the sons of Nicholas and Mary (nee Thair) who were married at Yateley 30.08.1650. John's brother, Thomas was baptised at Yateley 02.02.1664. Nicholas, I think, died in 1666 and I have a copy of the admon of his estate but no other details. Nicholas, I hazard, might have been related (a brother even) of Holland baptised at Aldershot 11.12.1614.
- I am puzzled, however, by reference to a Nicholas Goddard apparently born 07.07.1655 son of Holland and Margaret, recorded on the tree of Ray Goddard and confirmed by Robert Goss who I can't locate anywhere else. They also record William, born that same year, who I can locate along with his siblings all baptised at Farnborough..

| Thank you for your information, it is much as I have got it from various trees but as you can guess, with the

I promise to return them, & could  
you tell me where I can buy or

I believe the marriage certificate <sup>19-2-1849</sup>

I do hope you are keeping well

Take care
