Dear Miss Sawyer,

I have copied out most of the entries for Goddards in the notes which we have to show you what they are like.

The Norwich records are too long for me to copy out. do you have anyone in mind. They cover 1565-1832 and I can see the following

1641 Jacob Godart is a godfather

1634 Dauvd Godartet is a godfather

1634 Ann le Martin and David Godar announce their engagement

1590 Robert Godart is mentioned

No date but perhaps 1590

St Martins in the Oake

Robert Goddard Goods 20s Tax 3s 4d

Robert Godart Goods 20s Tax 3s 4d

1590 Robert Godart is described as an ancien

Have you ever investigated joining the Huguenot Society? I believe that they have extensive records.

Yours sincerely,

Julie Goddard
