Dear Brian & Julie,

For some time I have been researching my paternal line, & had been trying to find out more about my great-great-grandmother, Caroline GODDARD. She was apparently a widow at the time of her second child's birth.

Just recently, she decided to be found! From two correspondents, Mrs Pamela Goddard McKinnon, in Bolton, Ontario, Canada and Mr. David Kevin Goddard, of Yarham, Surrey, I was given a great deal of information and have my Caroline in place in her family. I have entered most of it, and it occurred to me that you might like to have it. It appears to have been well researched, but I do not have ^{their} sources to quote, so there may be mistakes!

I hoped this may be of interest

yours sincerely
May Leslie
