Dear Candice Evans,

*Thank you for sending your family tree. However I am unable to help you very much as we only collect records for people born after 1900, principally because we do not wish to intrude into living people's records and secondly because the records for people born after that date are quite easily discovered.*

*I can tell you that there was a **William Henry Goddard** aged 1 in the 1881 census covering the Glamorgan. He lived at Llangyfelach and was the son of James Goddard who was a cart man and born in Swansea. However, before jumping to any conclusions, I think that you will have to obtain more information about the family.*

*I do not know whether you were at the Goddard meeting on Saturday at Tewkesbury, (no one of your name signed the attendance register I am told), but someone was asking for **William Goddards** of Cardiff then, but I did not take a note of the name.*

*Yours sincerely,*

Dear John,

Please find enclosed my very 'basic' family tree. I'm sorry I haven't got anymore information for you but I found this project of mine was a bit more complicated than I had imagined!

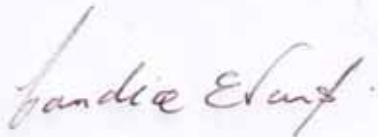

All the Goddards listed on the tree I believe were born and registered in Cardiff. However, the only records I have been able to obtain are those of My Grandmother; Alice May (enclosed).

I would like to thank you for sending me details of the Goddard Association and may be I will become a member in the near future.

If I can be of any further assistance, just get in touch, I will be glad to help.

Hope all goes well at your A.G.M.

Regards

Candice Evans

Dear Susan & Julie,

Enclosed is a list of all Goddard marriages in N Wales & Shropshire up to 1900, also some other odd references.

Pre 1812 there don't seem to have been any in Clwyd.

Best wishes,  
Edward.
