Dear Julie,

Thank you very much for your letter of 5th November and I am delighted that you are now working on the Pewsey Valley Goddards. I go to Lincoln Archives about every 6 weeks and have access there to Births, Marriages & Deaths information. At the moment I am working on all the Howitt's (my maiden name) of Lincolnshire, but can easily put that on one side for the time being and look up Goddards of Wiltshire if you would like me to, though you have perhaps done all that anyway.

Sorry I'm not on E-mail, because I appreciate that is a much easier way to communicate.

I'm glad you have handed on information to Ivor Goddard that I have supplied. It's always great to know that your info is helping others. In due course I'd love to know where he fits in. Meanwhile I must look up what I have on the Goddards to refresh my memory of them all. They've been a bit out of my mind just lately as the only access I have to information on Wiltshire is just the CRO records 1937 onwards. My grandmother's sisters' marriages are still eluding me. There are several of each christian name that are "possibles", but I don't feel like going to the expense of sending for all the marriage certificates. If only some of their descendants would join the Goddard Society!!!

I do sometimes "fall over" the odd bit of information on a Goddard in the lines registers

PTO

(baptism, marriage etc). Would the Society be interested in little odd bits of information like that?

Thanks very much for all your work on the Goddards both in the past and now on the Wiltshire Goddards.

My best wishes

Deryl Walker

Dear Julie

Many thanks for your letter and family tree of Keith Goddard. I have looked at this against my records and think these are two entirely different families.

These are my reasons:

- 1) The villages mentioned are entirely new to me. I have never looked at them at all (didn't even know they existed!) all my info is <sup>from</sup> Wootton Rivers registers, or close by.
- 2) My Charles Goddard was bap. 20/4/1781, W.R., the other one was 1762. Mine died 8/9/1850 not 1809.
- 3) My Elizabeth was born c 1783 at Bridgewater, Som. (In 1851 Census she is with son, Charles and Kyra, at Wootton Rivers, age 72, widow, b. Bridgewater, Som. She died 7/2/1859. In 1841 c Charles + Elizabeth, at W.R., says both "born W.R.")
- 4) The children of Keith's Charles + Elizabeth are totally different to mine
- 5) My John (father of Charles) was married to Ann and my Charles was born 1781. I actually picked up a John married to Mary Martin (or Martin) and a John married to Ann. I feel they may be the same John, as Mary's children range from 1765 to 1776, and ones with Ann start at 1781 to 1785. A John Goddard died 13/8/1795, and I have assumed it's this John above.

Just to throw another "spanner in the works" I see from Frank Goddard of Llanelli's family tree, a copy of which you sent me some time ago, he says Charles + Elizabeth's son James bap 13/10/1805 married Lucy in 1837 (of Grafton) and had George bap 14-6-1840 at Wootton Rivers!! However in 1851 Census it says James was born Easton and Lucy at Grafton. They were at Wootton Rivers.

2  
You feel he may have seen a James born  
about the right time and fixed him in his  
family tree. We all do a bit of "wishful  
thinking" at times!

Many thanks for all your efforts.

How wonderful for Keith and Leanne to have  
that Book of Common Prayer with all that  
information.

Yours sincerely

Leyl Walker
